PRESIDENT'S FOREWORD

**Dear football lovers,**

With great pleasure and honour, I present to you the 2025 TNM Super League Fixtures booklet. This booklet epitomises our efforts towards Reviving, Reforming and Rebranding Malawi's elite League. It further demonstrates our resolve in creating a conducive environment to develop, grow and transform the game of football in Malawi.

As the new football season dawns, we are filled with anticipation and excitement for the journey ahead. This fixture is more than just a schedule; it is a tapestry of matches that will showcase skill, determination, and passion for the beautiful game.

Every game, every kick, every goal holds the promise of unforgettable moments, stories of triumph, and lessons in resilience. It is out

of this fixture that heroes will emerge, rivalries will ignite, and fans will unite to celebrate their shared love for the sport.

This season is a chance to witness the extraordinary, to cheer for the teams and players who inspire us, and to experience the highs and lows that make football the heartbeat of millions around the world. We invite you to immerse yourself in this journey, as together, we create memories that will echo far beyond the final whistle, memories that will forever be part of our journey to Revive, Reform and Rebrand the League

I wish to appeal to all teams and their respective supporters to practice Fair Play and to avoid violence and hooliganism. Football is a beautiful game. Let us all make our stadiums a safe environment that can accommodate people from all walks of life. We have to give our league a human face by demonstrating civility and humanity in every sense of it.

As I conclude, allow me to sincerely thank our league sponsors TNM Plc for their invaluable support and contribution to our elite league. As a league we encourage all our affiliates and stakeholders to show support and loyalty to the TNM brand so that it grows bigger and stronger. For the clubs, partners and fans I would ask them to patronize TNM services and products to create more sponsorship opportunities for the League.

Let the games begin!

Colonel Gilbert Mittawa
